CodeWeavers® Affiliate Program Guide

CodeWeavers Affiliate Program Guide

What is an Affiliate?

An affiliate is a partner of CodeWeavers. You (the “affiliate”) becomes affiliated with us to sell CrossOver and earn a commission.

What is the CodeWeavers affiliate program?

Our affiliate program is a relationship in which CodeWeavers pays you (the “affiliate”) for links from your site, to our site. The affiliate is paid commission when an actual sale is made because of the link(s).

Is there approval and eligibility criteria?

We manually approve CodeWeavers affiliates. If your content or sites are coupon only site, adult content sites or piracy, for example we likely won’t approve you. We reserve the right to reject and remove affiliates at will. To request a copy of our contract, please email: marketing@codeweavers.com.

Our contract covers prohibited marketing tactics, legal disclosures and such.

I'm in...now what?

As an affiliate you'll receive commissions on all sales via link tracking back to our site with convenient quarterly payments via PayPal. We have an affiliate dashboard where you can track your campaigns, have access to our asset library and browse or post to our affiliate forum.

Fill out the affiliate application: <https://www.codeweavers.com/partners/affiliate-signup>

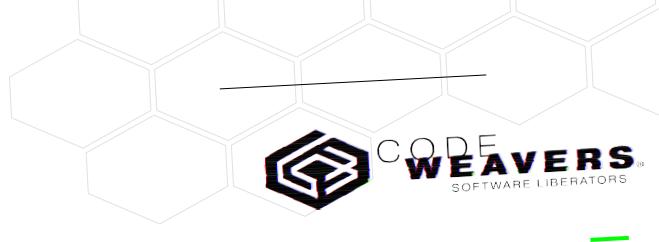

Commission Structure

To be eligible for commissions, affiliates must make a minimum of \$200 USD in sales per quarter. Commissions are paid out after 45 days of quarter end. This allows us time to accurately process refunds tied to the affiliate account. Commissions restart every quarter.

- CrossOver+ Commissions = 10%
- CrossOver Life = 10%

****Commissions are based on the sold price of CrossOver+. If a customer purchased CrossOver at \$74 USD (MSRP) the commission would be \$7.40, if CrossOver+ was sold at \$64 USD the commissions would be \$6.40.***

CodeWeavers Affiliate Program Guide

Deal Codes

All approved CodeWeavers affiliates will receive a standard 15% discount deal code for CrossOver+ upon signing the 2026 affiliate contract. You may request a custom deal code when signing the contract or have one generated by us. Your deal code will be emailed to you within six days of signing the contract.

This discount code can easily be put in the affiliate URL for sales tracking.

This discount is not valid for renewals or CrossOver Life.

When setting up an affiliate deal code with an affiliate link, the link will look something like:

`www.codeweavers.com/store?ad=XXX;deal=XXX`

Change the ad=XXX for the affiliate id (eg: ad=1234), and the deal=XXX to the deal code (eg: deal=JANA15)

`www.codeweavers.com/store?ad=1234;deal=JANA15`

Quarterly Payment Schedule

Quarterly payments are distributed 30 days after the quarter ends. For example, Q4 of 2026 will be paid in January 2027. Our current quarterly period dates are below:

- Q1: January 1 - March 31
- Q2: April 1 - June 30
- Q3: July 1 - September 30
- Q4: October 1 - December 31

Updating PayPal Email Addresses

Affiliates can change their PayPal email address by logging into their codeweavers.com account, go to My Account, and Edit Partner Profile from the left sidebar.
